

Appln. No. 09/368,201
Docket No. 14XZ00047/GEM-0275-C

REMARKS

Drawing Inconsistency With Specification

The drawings have been identified as containing an inconsistency with the specification.

Applicant provides herewith an amendment to cure this inconsistency.

No new matter has been added, as the specification has merely been amended to refer to Figure 6, which correlates with the already existing text of the specification and claims.

Accordingly, Applicant respectfully requests entry of this amendment, and withdrawal of the notice of drawing inconsistency.

Applicant believes this amendment to be fully responsive to the matter at hand.

If a communication with Applicant's Attorneys would assist in advancing this case to issue, the Examiner is cordially invited to contact the undersigned so that any such issues may be promptly resolved.

The Commissioner is hereby authorized to charge any additional fees that may be required for this amendment, or credit any overpayment, to Deposit Account No. 50-2513.

Respectfully submitted,
